EXPANSION OF AUTOMATIC TICKET REISSUE FUNCTIONALITY

Dear Travel Partners,

Japan Airlines will expand the scope of the Automatic Ticket Reissue functionality to Sabre (1S), Abacus (1B) and Infini (1F), in addition to Amadeus (1A) and Worldspan (1P) for published/private fare tickets issued on/after August 1, 2019.

Details as follows:

1. Effective Date: August 1, 2019
2. This function is **NOT applicable** on the following issuance type transactions:
 - Tickets which contain multiple Pricing Units (PU).
 - Tickets which were issued before July 2, 2018.
 - Tickets which were previously reissued manually.
 - Tickets which include other airline's fares.
 - Tickets which were involuntary reissued at Japan Airlines. <-New
 - Tickets whose date, airport or booking classes were involuntary revalidated at Japan Airlines. <-New

For inquiries, please contact the Japan Airlines Fare Desk via Queue in GDS.

Thank you for supporting Japan Airlines
