

## AGENCY BULLETIN

### Changes in Layover Service Applications

Please be informed of Changes in Layover Service (LOPK) Applications.

1. Conditions of LOPK booking Class

Reservations and ticketing: From July 1<sup>st</sup>, 2016  
Boarding: From October 1<sup>st</sup>, 2016

2. Applicable booking class

LOPK with the following booking class on/after the effective date above.

Economy Class : "K" class and above (Y , K)  
Premium Economy, Business and First Class : No change.

----- Other conditions -----

- \*Ticket must be issued before requesting hotel.
- \* Fare must be a through fare (for selected JAL fares).
- \*Combination of different booking classes (within the applicable classes) in the itinerary is permitted.
- \*Both flights to/from the layover point must be JL international flights and confirmed. (Not applicable for codes share flights)
- \*LOPK at layover point must be arranged/confirmed at least one day before arrival at layover point.
- \*Hotel cannot be arranged at the airport and walk ins will not be accommodated.
- \*If you cancel or revise the flight to/from layover points, please contact Japan Airlines immediately to cancel or revise the hotel reservation to avoid NOSHO.

Thank you very much for supporting Japan Airlines.
