More

Currently, Finnair flies daily from Helsinki to Tokyo and five times per week (daily in summer) to Osaka and Nagoya, connecting Japan to more than 50 Finnair destinations in Europe. Japan Airlines and British Airways are increasing their scheduled services between Japan and Europe this summer, as well as improving timings of the flights. From May, two additional weekly services means British Airways will fly twice daily to Tokyo with daily flights to both Haneda and Narita airports, and Japan Airlines will launch new day-time nonstop flights from March 30, 2014, between Haneda and London.

From March 30, Japan Airlines and British Airways codeshare flight schedules between Tokyo and London are as follows:

Flight No. (Operated Carriers)	Route	Dep. Time	Arr. Time	Days of Operation	Aircraft	Remarks
BA008/JL7083(BA)	Haneda – London	08:50	13:10	6 weekly flights	777	*5
