

JAL and Korean Air to Further Expand Codeshare Cooperation to All Routes and Flights Between Japan and Korea

TOKYO April 21, 2014: Japan Airlines (JAL) and Korean Air (KE), a codeshare partner since 2004, have agreed to further expand the codeshare flights on all routes and flights operated by KE between Japan and Korea from April 22, 2014. Reservation and ticket sales for the new codeshare flights will also start from April 22, 2014.

With further cooperation with KE, JAL will continue to enhance its network and provide customers, whether they are business or leisure travelers, with more convenience and enjoyable experience on every journey.

New codeshare routes between Japan and Korea
