### JAL ADDS SECOND DAILY SERVICE TO JAKARTA ALLOWING MORE SAME-DAY CONNECTIONS FROM THE U.S. AND CANADA

#### *Inventory now open for sale for departures on/after June 13, 2014*

**April 24, 2014 – El Segundo, CA:** Japan Airlines has received government approval to add a second daily flight between Tokyo Narita International Airport and Jakarta, Indonesia – increasing the airline’s nonstop service on the route to twice daily. JAL’s new flights, JL729/720, will also allow for more same day connections to Jakarta (via Tokyo-Narita) from North America including Boston, San Diego and New York (JL003) in the U.S., and Vancouver in Canada.

The new Tokyo (NRT) – Jakarta (CGK) service is scheduled to operate utilizing the JAL SKY SUITE 767, which features fully-refurbished cabins. In business class, JAL has installed its latest bed-style seating, called JAL SKY SUITE II, with each offering direct access to the aisle. In economy class, the award-winning JAL SKY WIDER seats offer more legroom and have a slimmed seat-back design for even more space.
