Japan Airlines (JAL) received the Best On-time Performance Service award in the Asia-Pacific Major Airlines Category, from an independent aviation performance-tracking company FlightStats, for its domestic and international flights operated between January and December 2014.

[Asia-Pacific Major Airlines]

JAL has achieved on-time arrival rate of 87.78% for its domestic and international flights, and was named number one in the Asia-Pacific Major Airlines category for 2014.

It means that JAL has topped the Best On-time Performance Service in Asia-Pacific Major Airlines category for the third year in a row and five times since 2009(*1).

(*1)JAL Express won the best On-time Performance Service award in Asia-Pacific Major Airlines category in 2009, the only year including regional airlines.

The **oneworld®** alliance, to which JAL also belongs, has received FlightStats' Airline Alliance On-time Performance Service award for 2014.

Placed safety in flight operations above all else, JAL Group staff will endeavor to challenge achievement of higher on-time performance, and meet the needs of our customers so as to become the most-preferred airline in the world.
