

Beaujolais Nouveau Time with JAL on November 19, 2015

Tokyo November 04, 2015: On November 19, Japan Airlines (JAL) will serve the 2015 Beaujolais Nouveau wine to its First and Business Class passengers onboard the international flights and customers in most of JAL's airport lounges in Japan.

The 2015 Beaujolais Nouveau is from Pierre Ferraud & Fils, who represents long history from 1882 and known for one of the best Beaujolais Nouveau wines. One of the highlights of this year's Beaujolais Nouveau wine is the good balance with elegant intensity. The wine will be served with JAL original bread, PAIN AU BEAUJOLAIS from "Maison Kayser", specifically produced for JAL. The 2015 Beaujolais Nouveau is abundantly used instead of water to bake "PAIN AU BEAUJOLAIS" which delivers irresistible flavor.

JAL will be striving to provide customers with present innovative products and high-quality services.
