

JAL and MOS BURGER Introduces “AIR MOS Yakiniku Rice Burger★JAL SPECIAL” on Select International Routes

TOKYO May 26, 2017: Japan Airlines (JAL) and MOS FOOD SERVICES, INC. (MOS BURGER) announced their latest collaboration menu, “AIR MOS Yakiniku Rice Burger★JAL SPECIAL,” served as a second meal on select flights from Japan to North America, Europe and Australia routes starting June 1, 2017.

The new menu is the seventh collaboration of a series of innovative inflight menus jointly designed by JAL and MOS BURGER, following the previous provision of well-received menus such as AIR MOS TERIYAKI BURGER, AIR MOS RICE BURGER, AIR MOS TERIYAKI EGG BURGER and VEGETABLE AIR MOS BURGER. This exclusive hamburger is expected to represent MOS BURGER’s respect for Japanese food culture and JAL’s commitment to providing high-quality products and services with the spirit of Japanese hospitality.

[Outline of Service]

1. Effective Period: June 1 (Thursday) ~ August 31, 2017 (Thursday)
2. Applicable Routes:
