JAL In-flight Meal Reservations

From February 13, 2019, passengers with Passenger Name Record (PNR) other than JAL/1J, can now make online in-flight meal reservations from the JAL website.

(1) First Class In-flight Meals

<Applicable Flights>

JAL operated international flights

Not applicable for breakfast on midnight departing flights, non-scheduled flights, and chartered flights (except for some flights)

<How to Make Reservations>

◆Reserve through the JAL website (*)

(*) Website (from a computer or smartphone)

Please make reservations by clicking "Reserve in-flight meals" on the reservation page.

Please make online reservations again in case you change your flight.

<Available In-flight Meals (Main Dish)>

•Japanese meal

•Western (Beef)

•Western (Seafood)

•Western (Others)

*Others may include pork, chicken, lamb, poultry, and other meat.

(2) Business Class In-flight Meals

<Applicable Flights>

JAL operating medium-long-haul flights (Europe and North America, Hawai'i, Asia, and Oceania). Not applicable for breakfast on midnight departing flights, non-scheduled flights, and chartered flights (except for some flights)

<How to Make Reservations>

◆Reserve through the JAL website (*)

(*) Website (from a computer or smartphone)

Please make reservations by clicking "Reserve in-flight meals" on the reservation page.

Please make online reservations again in case you change your flight.

<Available In-flight Meals (Main Dish)>

- Japanese meal
- Western (Beef)

You will need to make a request during the flight in case of Western (other than beef) because only a limited number of reservations can be made.
